

Quick Start Guide

Registration & Login

When your access to the new Rajpharma.com is activated, you will receive an email which will direct you to a registration page where you will be able to create and confirm your password.

The screenshot displays the Rajpharma.com website interface. At the top, there is a banner for 'CenterWatch' with a coupon code '7684'. Below this is a navigation bar with categories like 'Home', 'Product Sector', 'Regulatory Region', etc. The main content area is divided into 'HEADLINE NEWS' and 'EXPERT VIEW' sections. The 'HEADLINE NEWS' section features three articles: 'European Commission's antitrust inquiry results in case against Servier and generics firms', 'EU pharmaceutical unit head dismisses idea of a single European medicines agency', and 'Pfizer nears settlement with Nigeria on Trovan lawsuit'. The 'EXPERT VIEW' section features an article titled 'The European Commission's pharmaceutical sector enquiry: was it really worth €100 million?'. On the right side, there is a sidebar with links for 'About Us', 'Getting Started', 'Free Trial', 'Subscribe', 'Advertise', 'Guidelines for Authors', and 'Blog'. At the bottom of the sidebar, there is a promotional banner for 'Applied Biosystems' offering 'Free Rewards with purchase' and 'Order Today and'.

You can now view all RAJ Pharma content on the site, including full text articles, supplements, reports and an archive dating back to 2003. You can also benefit from a series of added functionality, including:

- 1) the My Clipboard feature which allows you to save and categorise articles you have selected from a search for quick retrieval later on and which is automatically updated when new content is available.
- 2) the Manage my Account feature which enables you to save advanced search criteria and generate personalised email alerts at a frequency of your choice.

HEADLINE NEWS

European Commission's antitrust inquiry results in case against Servier and generics firms
08 July 2009
The European Commission has opened its first antitrust case following the inquiry into competition in the pharmaceutical sector 1, 2. The case involves a settlement agreement between the French firm Servier and a number of generic companies. The ...

EU pharmaceutical unit head dismisses idea of a single European medicines agency
14 April 2009
A suggestion that Europe could replace national medicines authorities with a single, unified medicines agency along the lines of the US Food and Drug Administration was recently rejected by the head of the Pharmaceuticals Unit within the European ...

Pfizer nears settlement with Nigeria on Trovan lawsuit
08 April 2009
Pfizer says it is close to agreeing on a settlement with Nigeria to resolve a lawsuit that alleges that the company's Nigerian clinical trial of its meningitis drug, Trovan (trovafloxacin mesylate), in 1996 was unethical and led to the death of ...

EXPERT VIEW

The European Commission's pharmaceutical sector enquiry: was it really worth €100 million?
08 July 2009
Faraz Kermani
The final report on the European Commission's pharmaceutical sector enquiry has now been published and has reiterated many of the criticisms against the originator industry that were initially raised in the preliminary report. However, to recall a ...

Simple Search

- Users can search the contents of the entire site using the Quick Search box located at the top right of all pages.
- Type any search term eg. 'FDA' into the Quick Search box and all results for this term will be listed with the most recent at the top and categorised into News, Analysis, Reference, Science and Features
- You can sort your Simple Search results chronologically or by relevance to your search term
- You can also change the number of results appearing on a page

The screenshot shows the Informa Pharma website homepage. At the top right, there is a search box with the text 'Advanced Search' and 'Search' buttons. The search box contains the text 'FDA'. Below the search box, there are several news articles and a sidebar with navigation links. A blue box highlights the search box and the 'Search' button.

A close-up of the search results dropdown menu. It shows 'FDA (1261 Results)' and options for 'Sort By: most recent' and 'Results per page: 15'.

The screenshot shows the Informa Pharma website search results page. The search box contains 'FDA' and the results are sorted by 'most recent'. The results are displayed in a list format with a 'Sort By' and 'Results per page' dropdown menu. A blue box highlights the search results dropdown menu. Below the search results, there is a sidebar with navigation links and a 'BioTechniques' Webinars advertisement.

A close-up of the search results list item. It shows the title 'Ban prescription acetaminophen combo products, US panel says' and the date '10 July 2009'. Below the title, there is a brief description of the article.

Advanced Search

- This facility enables a full search of the database for one or several keywords and exact phrases
- Click on the 'Advanced Search' link (beneath the Quick Search box) on any page, and you will be taken to a page where you can choose from a selection of categories, including: Product Sector and Region
- Choose whether you want to search for any of the words, all the words or the exact phrase using the dropdown beneath the Keyword search box on the Advanced Search page

The screenshot shows the RAJ Pharma website homepage. At the top, there is a banner for 'Think of it as your site's tool kit. For success.' with a 'CenterWatch' logo and a coupon code '7684'. Below this is a navigation bar with 'Home', 'Product Sector', 'Regulatory Region', 'Pre-marketing Regulation', 'Post-marketing Regulation', 'Healthcare Systems', and 'Legal'. A secondary navigation bar includes 'News', 'Analysis', 'Features', 'People', 'Events', 'Multimedia', 'Reference', and 'Blog'. The main content area features 'HEADLINE NEWS' and 'EXPERT VIEW' sections. A search box is visible in the top right corner, and a callout box highlights the 'Advanced Search' link and the search input field containing 'FDA'.

- Specify the date or select the date range of the published material you want to return
- Narrow your search by selecting from one or more dropdown menus, including: Product Sector and Region, Business, Policy and Regulation
- Click the 'Search' button at the bottom of the page to perform the search

The screenshot shows the 'Advanced Search' page. It features a search box with a 'Search' button and a 'Clear' button. Below the search box is a dropdown menu for 'All Words'. There are checkboxes for 'Search in headline only' and 'Publication'. The 'Publication' section includes checkboxes for 'RAJ Pharma', 'RAJ Devices', 'Scrip', 'Clinica', 'Clinica Diagnostics', and 'Animal Pharm'. At the bottom, there is a 'Date' section with dropdown menus for 'Day', 'Month', and 'Year'. A sidebar on the right contains links for 'About Us', 'Getting Started', 'Free Trial', 'Subscribe', 'Advertise', 'Guidelines for Authors', and 'Blog'. A promotional banner for 'Applied Biosystems' is also visible, offering 'Free Rewards with purchase' and 'Order Today and Earn'.

- You can sort your Advanced Search results chronologically or by relevance
- You can also increase or decrease the number of results appearing on a page
- Click on the 'Saved Search' button at the top right of the Advanced Search page and select a name for your saved search
- Check the box 'Alert me for new content' and choose the frequency (daily, weekly or monthly) from the dropdown box below. The updated results of your saved search will then be emailed to you at your chosen frequency.
